THE TENNESSEE GOVERNOR'S ONE SHOT TURKEY HUNT

WELCOME

There is no better kick-off to Tennessee turkey season than taking part in the Tennessee Governor's One Shot. If you are a veteran One Shot participant, you know what to expect with this event, and most of this guide will only serve as a review. For those of you who are new to our ranks, welcome! We have a lot in store for you. We've created this handy guide to provide you with all the information you need, so that you won't miss a moment of the action.

HUNTER INFORMATION

The adventure begins on Friday, April 1, 2022, when hunters come by Liberty Hall in The Factory at Franklin to meet their guide and pick up their complimentary gift bag full of valuable hunting merchandise and exclusive One Shot items. That evening hunters and guides may choose to roost a wary gobbler or spend a little time swapping stories and getting to know one another. Just don't stay out too late because you'll want to be at your best for fly down the next morning. Long before the sun comes up on Saturday, hunters will meet their guides at pre-determined locations to begin their hunt.

One Shot is more than just a turkey hunt. We've added a little friendly competition to help spice things up! All harvested birds will be scored based on beard length, spur length, and weight. In this competition, the hunters and guides participate as a team. Once the hunter has harvested a bird, the guide can then try to harvest a bird for themselves. Prizes will be awarded to individual and team winners (1st and 2nd place). All harvested birds must be brought to the designated bird check-in station outside Liberty Hall (The Factory at Franklin) for official scoring. All birds must be scored before 4:00 PM on Saturday to qualify for the competition.

The hunt may be over at this point, but the fun is just beginning. After Saturday's hunt, participants are invited to join us and five hundred of our closest hunting buddies for the One Shot Banquet. You and a guest can enjoy a great dinner, open bar, awards presentation, prizes, as well as a live auction. The live auction items include world-class hunting packages and unique one-of-a-kind items.

- **\$1,000 registration fee per hunter** [CLICK HERE](#) to register
- **There is NO CHARGE to Heritage Club members**
- **All hunters must have the required TN hunting license**
- **Please see itinerary for more event details**

GUIDE INFORMATION

The success of the One Shot hunt relies on volunteer guides. To participate as a guide, you must be an experienced turkey hunter and caller with knowledge of the land and tactics to provide a safe and exciting experience for your hunter. We will do our best to pair you with a hunter that compliments your enthusiasm and hunting style. As a guide, your main objective is to provide an opportunity for your hunter to take a bird, but guides are encouraged to attempt to harvest a bird after their hunter is successful. Prizes will be awarded to hunter/guide teams with the highest cumulative score (see hunt rules). We recognize the effort and sacrifice required of One Shot guides. We will also present the Top Gun guide with a \$1,000 cash prize during the banquet to encourage hard work and competition.

ONESHOT

THE TENNESSEE GOVERNOR'S ONE SHOT TURKEY HUNT

We realize not all hunts end with a harvested turkey, as weather and moody birds can best even the most experienced hunters and guides. We ask our guides to put forth their best effort in making the hunt a safe and enjoyable experience. All guides are expected to conduct themselves professionally as volunteer representatives of the Tennessee Wildlife Resources Foundation.

TWRF will host a complimentary Guides Dinner a few weeks before the event. You will receive an invitation via e-mail, and all guides are encouraged to attend. The dinner provides guides with an opportunity to coordinate with TWRF staff regarding hunter information to help plan for a successful hunt. Guides will be matched with hunters and receive their contact information as soon as possible. Like the hunters, guides must check-in at Liberty Hall in The Factory at Franklin, TN, on Friday, April 1, to receive their event credentials and complimentary gift bag. All guides and one guest are also invited to attend the One Shot Banquet on Saturday night.

LANDOWNERS

The Governor's One Shot Turkey Hunt would not be possible without private land partners. For this one-day event, landowners willing to allow a guide and hunter EXCLUSIVE access to their property are encouraged to participate. One Shot guides and hunters appreciate the opportunity to hunt on private farms, and respect for landowners and the property will be shown at all times. TWRF carries special event liability insurance and indemnifies all participating landowners from any liability arising from the one-day hunt.

For information on offering land to guides and hunters for the One Shot Turkey Hunt, please contact TWRF Development Director, Johnny Allred: (931) 797-4740 or by email: jallred@twrf.net

PREMIUM TABLES

A limited number of premium tables are available at the One Shot Banquet. Anyone can reserve a Premium Table for the event, but tables are sold first-come, first-served. Premium tables will seat up to 8 guests and are positioned closest to the stage in the center of the action. The buyer of each table will receive a table gun as a gift. Our 2022 Gun of the Year will be the **Weatherby Mark V Hunter in .280 Ackley Improved**. The Hunter's polymer stock features a flat-bottomed forend, ambidextrous palm swells, aluminum pillar construction and is finished in an Urban & Black Speckle. Threaded 1/2x28 for use with a suppressor or brake, the Mark V Hunter's barreled action is sealed under a shell of Cobalt Cerakote, shielding it from the elements. A deeply-fluted bolt with a removable knob not only trims a little weight and helps clear dust and debris, but it also reduces the bearing surface within the action resulting in smoother operation.

As a special edition, these Weatherby Mark V Hunter's will have the state of Tennessee and the Tri-Star emblem engraved in the floor plates. These are designed exclusively for this years Gun of the Year.

Premium Table Reservation: \$3,500. [CLICK HERE](#)

ONE SHOT CALCUTTA

The only thing better than winning the Top Gun trophy at the One Shot is winning the Top Gun trophy and a brand new Tracker ATV. Don't let someone with a smaller bird drive away on your ATV, participate in the Calcutta by buying your team!

How it works: At the time of registration, each hunter will have the opportunity to purchase their team for \$300. If you choose not to purchase your team, someone else can. This is a fundraiser, and our goal is to have all teams purchased.

The Top Gun (biggest bird) is also the Calcutta bird. If the Top Gun team is not purchased, then the Calcutta prize will be awarded to the OWNER of the purchased team with the next highest scoring bird. The guide that calls in the Top Gun bird will receive a \$1,000 cash prize to be awarded during the banquet.

The OWNER of the Top Gun team will be awarded the new **TRACKER® 600EPS LE in TrueTimber® STRATA Camo**, a \$9,874 value, generously donated from our friends at Bass Pro Shops.

The 600EPS LE with an all-new 600cc engine delivers class-leading front and rear suspension. The improved ground clearance is 11.5," and fuel capacity is 5.7 gallons, keeping you in the field longer. Improved design features the addition of a driver-accessible storage compartment, larger footwells, and re-engineered exhaust routing of a 45HP engine. Electronic 4x4 shifting, larger shocks, and higher air intake mounting are the icing on the cake. The 600EPS LE comes with a front ranch bumper and a 3,500-lb. winch.

Registration and team payment must be received prior to the event to qualify for the One-Shot Calcutta. Just remember, you can't win if you don't play.

Buy Your Team: \$300. [CLICK HERE](#)

SPONSOR AN HONORED AMERICAN VETERAN TO HUNT

TWRF pays tribute to those who have sacrificed for our freedom by inviting a special envoy of honored American veterans to participate in the Governor's One Shot each year.

Participation of these wounded soldiers relies on individual donors who are willing to sponsor them to hunt in the event. Your generosity provides these heroes an opportunity to enjoy the fellowship and camaraderie that comes with participating in One Shot. Each Honored American Veteran is entered in the One Shot Calcutta.

It is a humble way of saying "thank you" for protecting our freedoms and our lands. Sponsorship entitles you and a guest to attend the TN Governor's One Shot Banquet.

Honored American Veteran Sponsorship: \$1,000. [CLICK HERE](#)

PARTNERSHIPS AND UNDERWRITING

The Governor's One Shot is a fundraising event for the TWRF. We are always looking for corporate and private partners to assist in underwriting expenses. However, our continued success relies on support from responsible partners that share our core values for conservation. By becoming a partner, you can help sustain conservation efforts and R3 initiatives critical to preserving the North American Conservation Funding Model. TWRF's programs are designed from the bottom up to remove barriers that could prevent individuals from hunting and fishing. Your tax-deductible contribution will be used to purchase gear, equipment, clothing, and supplies necessary to recruit, reactivate, and retain Tennessee hunters and anglers to ensure our legacy. To pledge your support as a conservation partner, please contact TWRF Development Director, Johnny Allred: (931) 797-4740 or by email: jallred@twrf.net

THE TENNESSEE GOVERNOR'S ONE SHOT TURKEY HUNT

TOP GUN SCORING RULES

All birds must be legally harvested wild turkeys taken in the spirit of fair chase and in accordance with applicable wildlife laws for the state of Tennessee.

You may use more than one shot to harvest your bird with no deduction to your score. The scoring method will be the formula of The National Wild Turkey Federation (NWTf). A TWRA official will score each bird at the designated scoring site for the One Shot event. Once the official scores a bird, that score is final.

This is a one-day hunt only. To be eligible, all birds must be at the designated scoring site by 4:00 PM on Saturday, April 1, 2022.

There are three variables in scoring a wild turkey. Weight, beard length, and spur length.

Do not field dress your bird. The weight is part of your score.

Step 1:

Birds will be weighed on TWRf certified scale (decimal format to hundredths). This is the number of points you will receive for your turkey's weight score.

Step 2:

Scorer measures each spur. Spurs must be measured in decimal inches along the outside center, from the point at which the spur protrudes from the scaled leg to the tip of the spur. Combined spur measurements are then multiplied by ten. This is the number of points you will receive for your turkey's spurs score.

Step 3:

Scorer measures the beard length in decimal inches (a beard must be measured from the center point of the protrusion of the skin to the tip).

Next, multiply the measured beard length by two; this is the number of points you receive for the beard length. For atypical birds (multiple beards), scorers will measure each beard. Cumulative beard length is then multiplied by two. This is the number of points you will receive for your turkey's beard score.

Step 4:

Scorers will add weight score, spurs score, and beard(s) score. This is the total score you will receive for your turkey.
